5 DAYS

Château Montebello, Papineau Estate, Mackenzie King Estate

June 23-27, 2019

Day 1 Ottawa ON

After your conference ends, we make our way to the Ottawa and the Outaouais Region. We settle in for a four night stay.

Day 2

This morning a scenic drive through the Outaouais region takes us to Montebello and the Manoir Papineau National Historic Site, one of the most treasured heritage locations in the area. On our guided tour of the main floor of the Manoir and the gardens you will get an intimate view of the day-to-day life of Louis-Joseph Papineau and his family. Next enjoy a fabulous buffet lunch at the Fairmont Le Château Montebello. After lunch we take a guided tour of this luxury resort that played host to the G-7 International Economic Summit and most recently, to the North American Leaders Summit. We return to Ottawa for the night. **(B,L)**

Day 3

This morning is at your leisure. This afternoon we visit the Museum of History. Here you embark on a historical journey through Canada's rich past. Visit The Grand Hall, housing the largest collection of indoor totem poles in the world and relive the emotional journey of Terry Fox in the special exhibition "Terry Fox, Running to the Heart of Canada." Later we board the Empress of Ottawa for a delightful narrated sightseeing cruise on the Ottawa River. Dinner is included after the cruise. **(B,D)**

Day 4

Today we explore Gatineau Park, a 363 square kilometer area between the Gatineau and Ottawa Rivers. We'll make a number of stops including Champlain Lookout. There will be some free time in the picturesque town of Wakefield before continuing our journey to the Mackenzie King Estate. For nearly fifty years, the Estate served as the summer residence of Mackenzie King, Canada's tenth and longest serving Prime Minister. Enjoy a light lunch prior to your self-guided tour of the estate, flower gardens and his picturesque collection of stone ruins. **(B,L)**
